

EXHIBIT NO. 2  
CASES 9226 and 9227  
November 19, 1987

This exhibit shows the non-standard proration units in Township 25 North, Range 2 West.

Order R-7407-C, called by the Oil Division Staff, established the units in Sections 5 & 6, 7 & 8, 17 & 18 and 31 & 32.

Order R-8268, called by Jerome P. McHugh, established the units in Sections 19 and 30.

These units and their companion units cause an uneven pattern along the pool boundary.

Allowable adjustments and the protection of correlative rights in this area will be difficult.
