RE: Proposed Devonian Test  
Erwin No. 1  
EAST MORTON PROSPECT  
Lea County, New Mexico

Dear Mr. Cone:

As a reminder, we have not received a formal response from you regarding your election to either participate in the drilling of the subject well or lease to Mitchell under the terms of our October 2, 1987, proposal letter.

Your cooperation and response in this matter would be most appreciated and would allow Mitchell to move forward with its drilling plans.

Very truly yours,

MITCHELL ENERGY CORPORATION
