MR. LEMAY: I'll now call Case 9396, which is the application of BCO for a nonstandard oil proration unit.

I understand that the legal representative in this case, Mr. Padilla, has requested that this case be dismissed and since we have a letter to this effect in the files is there any objection to the Commission taking this course of action?

MS. JACOBBER: The Division has no objection.

MR. LEMAY: Thank you, Ms. Jacobber.

Any comments from the audience concerning this case?

If not, Case 9396 will be dismissed.

This meeting is adjourned.
