Dear Mr. LeMay:

This is a request for administrative approval for an unorthodox gas well location in the Basin Fruitland Coal Pool.

It is intended to locate the Meridian Oil Inc. Heizer #100 at 1430' from the North line and 2250' from the East line of Section 15, T-32-N, R-10-W, San Juan County, New Mexico.

The lack of access to location because of the Animas River makes this unorthodox location necessary.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 15, along with an ownership plat, are attached.

Sincerely yours,

Peggy Bradfield
