Return Receipt Requested P 911 644 139

Dear Mr. Catanach,

In response to the June 9, 1989 "Application To Inject", received by certified mail at this office on June 14, 1989, by Mallon Oil Company to convert the referenced well to salt water disposal, I would like to register a formal protest to this conversion.

I respectfully request that the New Mexico Oil Conservation Commission schedule a hearing so that we may present evidence we believe will preclude any damage to productive and potentially productive hydrocarbon zones.

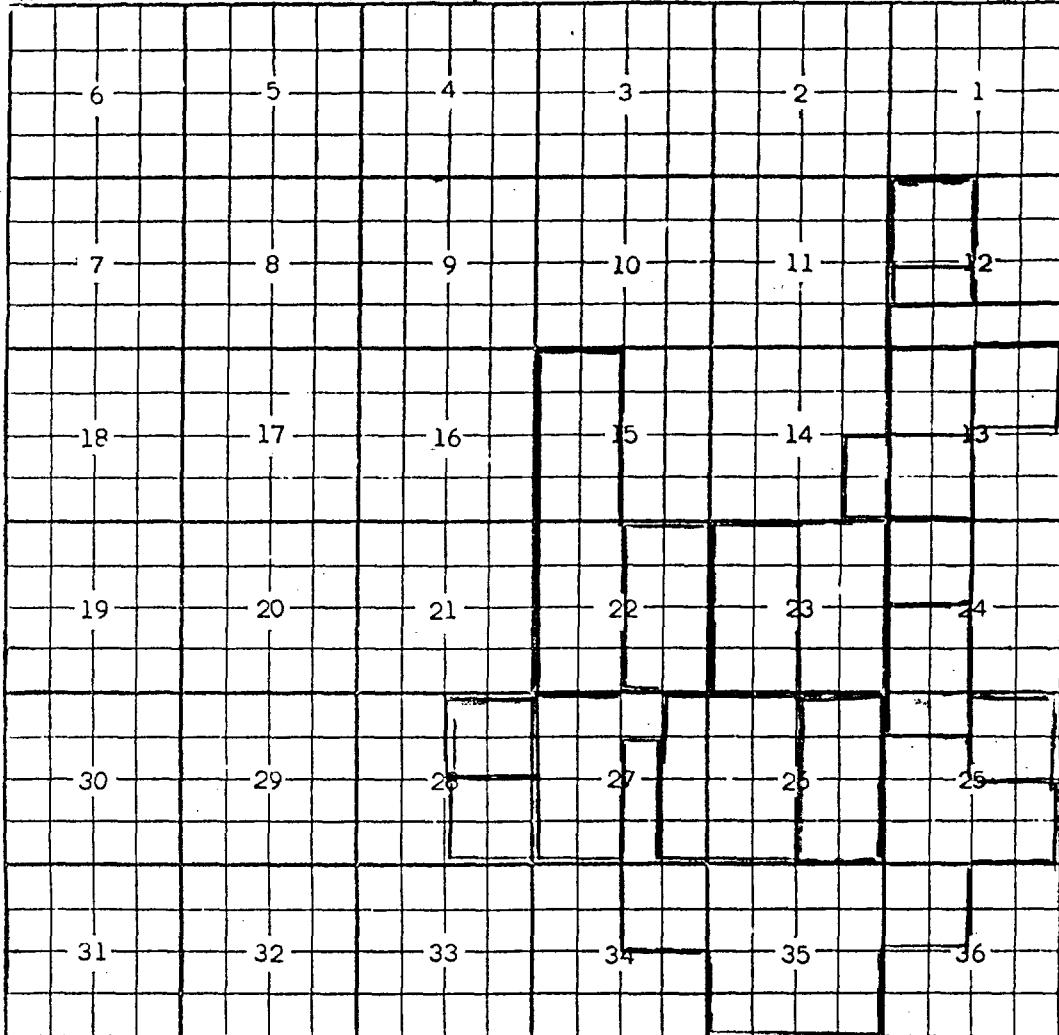

Yours very sincerely,

for Ralph E. Williamson
