Re: Case No. 10243
Order No. R-9457

Dear Mr. LeMay:

On March 7, 1991, the Division issued the above-referenced Order on the application of Yates Energy Corporation for compulsory pooling. The order requires that Yates Energy Corporation commence drilling a well prior to May 15, 1991.

Because Yates Energy Corporation is evaluating its own drilling activities in the area (as well as those of other operators), it requests a 90 day drilling extension from May 15, 1991.

Thank you very much for your consideration of this matter. In the event that you are inclined not to grant this request, we request an expeditious reply so that my client can commence drilling under the present form of order in a timely manner.

Very truly yours,

Ernest L. Padilla
