*Illamex Oils, Inc. Holds an interest in proceeds of sale of oil and gas until completion of limited production payment at which time said interest reverts to Darneille.

**There is litigation now active involving Darneille and Bankers Life and Casualty Company. Darneille first assigned to John D. MacArthur who in turn assigned to Bankers Life and Casualty Company. Because of this, the true interests of said parties is indeterminable at the present time.

In consideration of the execution of the Unit Agreement for the Development and Operation of the Gallegos Canyon Unit Area, County of San Juan, State of New Mexico dated the 1st day of November, 1950, in form approved on behalf of the Secretary of the Interior, the undersigned, whether one or more, hereby expressly joins said Unit Agreement and ratifies, approves, and adopts said Agreement, its terms and any modifications thereof.

This ratification and joinder shall be effective as to the undersigned's interest in any lands and leases or interests therein, and royalties presently held or which may arise under existing option agreements or other interests in unitized substances, covering any of the following described land:

NW/4, S/2 Section 5-27N-12W, NMPM All Section 6-27N-12W, NMPM N/2 Section 9-27N-12W, NMPM

It is the intent of the parties to describe above all the lands in the Unit Area in which the undersigned has any interest, but if the undersigned shall be found to have any interests as above described in any additional lands within the Unit Area, the undersigned expressly joins said Unit Agreement and fully ratifies, approves, and adopts it as to said additional lands and interests even though they may not be specifically described above.

As a part and parcel of this ratification and joinder, the undersigned to the extent of his or its interest, expressly agrees:

- (1) That the term of any lease given by the undersigned or under which the undersigned claims an interest herein is extended and modified to the extent necessary to make the same conform to the term of said Unit Agreement.
- (2) That the drilling, development, and producing requirements of all leases and other contracts in which undersigned's rights and interest are created or defined shall be deemed fully performed by performance of the provisions of said Unit Agreement.
- (3) That payment for or delivery of (whichever may be required under prior agreements) oil and gas duly made at contract rates applied to the production allocated under said Unit Agreement to the particular lands to which such rights or interests do or shall apply, regardless of actual production therefrom, shall constitute full performance of all such obligations to the undersigned existing under such leases or other contracts.

This Ratification and Joinder of Unit Agreement may be executed in any number of counterparts with the same force and effect as if all parties had signed the same document and shall be binding upon all those who execute a counterpart hereof, regardless of whether or not it is executed by all other parties owning or claiming an interest in the lands affected hereby, and when so executed shall be binding upon the undersigned, his heirs, devisees, assigns, or successors in interest.

AL OF THIRD

APPLICATION FOR APPROVAL OF THIRD ENLARGEMENT OF PICTURED CLIFFS PARTICIPATING AREA, GALLEGOS CANYON UNIT

SAN JUAN COUNTY, NEW MEXICO

TO: THE DIRECTOR
UNITED STATES GEOLOGICAL SURVEY
WASHINGTON, D. C.

COMMISSIONER OF PUBLIC LANDS STATE OF NEW MEXICO SANTA FE, NEW MEXICO

OIL CONSERVATION COMMISSION STATE OF NEW MEXICO SANTA FE, NEW MEXICO

Pursuant to the provisions of Section 10 of the Unit Agreement dated November 1, 1950, I - Sec. No. 844, covering lands within the Gallegos Canyon Unit Area, San Juan County, New Mexico, Stanolind Oil and Gas Company, as Unit Operator, on behalf of itself and other owners of working interest within said Unit Area, hereby submits for your approval a selection of lands to constitute the Third Enlargement of the Participating Area for the Pictured Cliffs formation. Said lands are described as follows:

New Mexico Principal Meridian, T-27N, R-12-W

Section 5: Lots 3 and 4, S/2 NW/4
(Being all of NW/4 of Section 5)

Section 6: Lots 1, 2, 3, 4 and 5, S/2 NE/4, SE/4 NW/4
(Being all of N/2 of Section 6)

Section 9: N/2

Embracing 791.86 acres more or less

The above lands were reasonably proven commercially productive of unitized substances from the Pictured Cliffs formation by completion thereon of the following wells:

Locke and Taylor's Fouts No. 1 well located in the NW/4 of Section 5, T-27-N, R-12-W; Completed on 3-21-51; Depth 1290'; Initial Potential 1250 MCFGPD.

The Texas Company's Navajo No. 1 well located in the NE/4 of Section 6, T-27-N, R-12-W; Completed 12-22-53; Depth 1351'; Initial Potential 1350 MCFGPD.

Stanolind - Darnielle Lilly No. 1 well located in the NE/4 Section 9, T-27-N, R-12-W; Completed 11-26-54; Depth 1450'; Initial Potential 1167 MCFGPD.

In support of this application, the applicant attaches hereto and makes a part hereof the following:

- A map marked Exhibit "A", showing thereon the Gallegos Canyon Unit, the present Pictured Cliffs Participating Area and the proposed Third Enlargement of said Participating Area.
- 2. A schedule marked Exhibit "B", showing the percentage of participation in unitized substances of each tract or partial tract included in said Participating Area as enlarged.
- 3. A brief geological report which from a geological standpoint justifies the inclusion of the above described lands in the Participating Area for the Pictured Cliffs formation.

Wherefore, the applicant respectfully requests that the Director, the Commissioner and the Commission each approve this selection of lands to constitute the Third Enlargement of the Participating Area for the Pictured Cliffs formation to be effective January 1, 1956, the effective date of the expansion of the Gallegos Canyon Unit Area to include said lands.

Dated this 30 day of <u>December</u>, 195...
