Re: Proposed The Shoebar Ranch Unit  
Lea County, New Mexico

ATTENTION: Mr. Michael Shearn

Gentlemen:

We have reviewed the unexecuted copy of unit agreement, Exhibits "A" and "B", which you submitted on behalf of HNG Oil Company, for the Shoebar Ranch Unit, Lea County, New Mexico. The form of agreement meets the requirements of the Commissioner of Public Lands, therefore, your agreement has been approved as to form and content.

Please submit any geological data or engineering reports which you might have.

On your Exhibit "B", under Tract 1, your description should read S/2N/2 and not (S/2, N/2). On Tract 2 you left out the S/2NE/4 and under Tract 4 you have the wrong lease number, it should be LG-3728 and not (L-3728). Your Unit Area, page 1, is also in error. Please make these corrections before submitting your agreement for final approval.

When filing your agreement for final approval, the following are required by this office.

1. Application for final approval stating Tracts committed and Tracts not committed.
2. Two executed copies of Unit Agreement-one must be an original.
3. One executed copy of Operating Agreement
4. Two sets of all ratifications from Lessees of record and working Intrest Owners.
5. Two sets of Exhibits "A" and "B".
6. Order of the New Mexico Oil Conservation Commission.
