Re: El Vado Well No. 2 located in Unit I of Sec. 11, Township 27 North,
Range 1 East, Rio Arriba County; Bond No. OCD-002; CD No. 301-117209

Dear Sir/Madam:

Enclosed is notice that the above-referenced case will be heard on Thursday, May 18, 1995. First National Bank of Albuquerque is being notified because First National wrongfully released the above-referenced Certificate of Deposit/Bond on July 9, 1987. Enclosed are copies of the relevant financial instruments.

The New Mexico Oil Conservation Division, upon plugging the oil and gas wells that were covered by these instruments, intends to seek reimbursement from First National Bank in the amount of \$5,000.

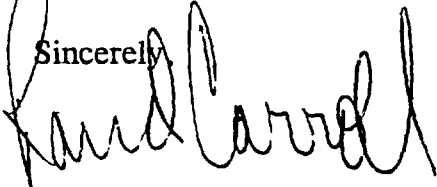

If First National has an objection to the plugging of these wells or has a defense to a claim by the State for reimbursement of the \$5,000 for plugging this well, First National should enter an appearance in this case.
