11. Covenants Run with the Land.

The covenants herein will be construed to be covenants running with the land with respect to the communitized interests of the parties hereto and their successors in interests until this agreement terminates. 13. Nondiscrimination.

In connection with the performance of work under the agreement, the operator agrees to comply with all of the provisions of Section 202 (1) to (7), inclusive, of Executive Order 11246 (30 FR 12319), giving, however, such preference to Indians as applicable law permits.

(b) Drilling and producing operations performed hereunder upon any tract of communitized lands will be accepted and deemed to be performed upon and for the benefit of each and every tract of communitized land, and no lease will be deemed to expire by reason of failure to drill or produce wells situated on the land therein embraced.

(c) Suspension of drilling or producing operations on all communitized lands pursuant to direction or consent of the Authorized Officer will be deemed to constitute such suspension pursuant to such direction or consent as to each and every tract of communitized land.

(d) Any Federal lease committed hereto will continue in force beyond the term so provided therein or by law as to the land committed so long as such lease remains subject hereto, provided that production of communitized substances in paying quantities is established under this communitization agreement prior to the expiration date of the term of such lease, or in the event actual drilling operations are commenced on communitized land, in accordance with provisions of this agreement, prior to the end of the primary term of such lease and are being diligently pursued at that time, such lease will be extended for two (2) years, and so long thereafter as oil or gas is, or can be produced in paying quantities.
