***Re: Apache Corporation, Application for Unorthodox Oil Well Location

Dear Mr. Bailey:

By this letter, LRE Operating, LTD, our client, hereby protests the above-referenced administrative application.

The basis of this protest is that the well location does not have proper set backs and will ultimately drain oil and gas resources from LRE Operating. In short, the application impairs LRE Operating's correlative rights.

Should you have any questions, please let us know.

Very truly yours,

ERNEST L. PADILLA
