Dear Mr. Goetze:

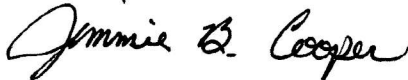

Oasis Water Solutions respectfully requests administrative approval for a one-year extension of the approved C-108 authorization to inject for the above referenced well.

I currently have two SWD Wells, J Cooper Enterprises, Cooper 8 #2 and Oasis Pearl State #2. The drilling of this well was postponed due to rig availability and prioritized drilling in 2019. We plan to drill this well in 2020.

Please contact me at 254-493-9082 if you need further information.

Thank you for your consideration of this request.

Sincerely,
