Hi Dean,

Apologies for the delayed response.

The measured depths for both initial and final perforations are 10199'-20415'.

The well test casing pressure is 1592.

If you require any additional information please let me know.

Thanks,

Jana Mendiola

WARNING - This message is from an EXTERNAL SENDER - be CAUTIOUS, particularly with links and attachments.

Hello Ms. Santos,

I am reviewing the well file for the Oxbow CC 17 8 Federal Com 36H (30-015-45088) operated by Oxy USA, Inc. (16696).

Please confirm the measured depth of the initial and final perforations.

Please confirm the casing pressure during the well test.

Dean McClure
