Good morning Chris,

Just wanted to check with you and make sure you received the subject C-108 package I sent you a couple weeks ago. It was not sent certified however; I explained the situation in the letter – that being this is an old C-108 that for various reasons, OCD is just getting around to processing. The southwest bit of the AOR caught a piece of BLM land that I missed during the original filing. OCD asked that I notify you now of the application. All other parties were notified during the original filing.

Anyway, please let me know for sure you received it and if you have any questions. Since Ray Westall has been waiting for 2-1/2 years, if you're agreeable, I can send a waiver or, you can indicate your consent via email to me or OCD, or both.

Thanks and have a great weekend,  
Ben
