Memo

From
CARL ULVOG
Chief Geologist

To File: National Oil Co.

11-12N-32E

4

32-13N-32E

Talked with John Hambright today. Told him bond cannot be released because

1. Casings open at surface
2. No markers
3. No C-103 for subsequent Report of P&A.

Sent 6 copies of C-103 plus copy Rule 202.
