Re: Murray Well No. 1
K-21-11N-33E
Quay County, NM

Dear Mr. Henegar:

A review of your file has indicated that the subject well has yet to be plugged according to State regulations. Our correspondence to you with letters of June 14, 1983, August 24, 1983 and numerous telephone conversations concerning the plugging of this well has yet to motivate you.

If this agency does not hear from you within the next thirty days, it will be turned over to our legal department for appropriate action.

Sincerely,

A handwritten signature in dark ink, appearing to read "Roy E. Johnson", written over a horizontal line.

ROY E. JOHNSON
Petroleum Geologist
