Dear Mr. Henegar:

This letter is to inform you that more than four months have elapsed since this agency has received any required reports on the above-mentioned wells. Accordingly, Rule 202 of the State of New Mexico Oil Conservation Division Rules and Regulations state that a copy of electric logs, Forms C-103 and C-105 must be submitted to the district office thirty days after the completion of the well.

Your immediate attention on this matter and assistance in helping update our files would be greatly appreciated. If you have any questions concerning this matter, please contact this office.

Sincerely,

A handwritten signature in cursive script that reads "Roy E. Johnson".
