Gentlemen:

Thank you for your letter of December 19, 1961 addressed to the attention of Mr. Peterson of our department. We regret that your letter of January 24, 1961 to Mr. Clark was unanswered by our office. We have made numerous attempts through our agent who handled this bond to locate Mr. Lee and to no avail. We did hear that he was in the state of Massachusetts with relatives but we were unable to discover any address.

We will try again to see if we can possibly get a specific address and will certainly forward it to you if we are able to locate.

Yours very truly,

Thomas H. Mitchell
Field Supervisor
