> Re: Ledgerwood No. 1 Kimes SESESE Sec. 11-12N-32E Quay County, New Mexico

Dear Sir:

The New Mexico Oil Conservation Commission, in its Case No. 280, Order R-81, has declared you in default of your obligations to plug the above captioned well. This well-bore was declared abandoned and ordered to be plugged in accordance with the Rules and Regulations of the Commission. A stipulation stated that O. L. Ledgerwood, E. L. Kimes, and/or any person claiming any right, title or interest in or to said well-bore might have thirty (30) days within which to retrieve recoverable material from said well-bore, and to properly plug said well-bore in accordance with the rules of the Commission and clean up the premises; failure thereunder within the time specified therein would require the calling upon the surety company, Accident and Casualty Company of New York, N. Y., c/6 Nathan R. Bell. resident agent to, at its own expense, immediately plug the said well-bore in compliance with the Rules and Regulations of the Commission.

The above mentioned surety company is plugging this well on September 16, 1952, to conform with all Rules and Regulations of the Oil Conservation Commission. A representative of the Commission shall witness the actual work done in plugging the well and cleaning up of the premises.

Very truly yours.
