OIL CONSERVATION COMMISSION P. O. BOX 371 SANTA FE, NEW MEXICO

September 22, 1952

Mr. I. J. Quinn Mountain States General Agency 710 West Fourth Street Pueblo, Colorado

Dear Mr. Quinnet

I an exclosing a complete list of unplugged wells in New Meniod which have been drilled by Clyse D. Leill under his (10,000.00 blarket bond.

The list of wells recludes all the wells which to our knowledge are either producing on have never been plugged.

Ring Co.

I hope that this list satisfies your requirements.

Sincerely,

William B. Macey Chief Engineer

WBM:nr Encl.

Neil #1 Kimis

Harding County:: Clyde B. Neill, No. 1, Bruhn: SE/4 Sec. 17-T. 14 N, R. 33 E, (the only in formation we have on this well is the Notice of Intention to Drilb which was filed in December 1950.)

> R.G. Clay-Clyde Neill No. 1-9, State, NENW Sec. 9-T. 19 N, R. 30 E. (This well put on production for Carbon Dioxide in May, 1938. There is a possibility that this well is not being produced and may be plugged. It will take a check of the well to determine its exact status. The R.G. Clay bond has been cancelled and if Neill is operating the well then he is responsible for the plugging)

Neill Oil and Caa Co., No. 1, Smith-Miera, SWSW Sec 1 T.20 N. R. 30 E. (this well was a dry hole but we have no record of any plugging)

Clyde B. Meill, No. 1, State, NWSW Sec. 27, T. 21 N, R. 30 E, (No record of Plugging, it is apparaently a producing well)

Clyde B. Neill, No. 1, Galliger, SESW Sec. 9-T. 21N-R30F (No information on plugging, apparaently is a producing wel Neill Oil and Gas, No. 1 Harris, NWNE Sec. 32-T.21N-R. 30 E, (No plugging record, still a producing well.) Neill Oil and Gas, No. 1, Ivey and Paxton, SWSW Bec. 27 Clyde B. Neill, No. 1 Gonzales, SWSW Sec. 28-T.21N-ER. 30 E. #((Apparently a producing well, at last report was shut in awaiting the construction of an ice plant.

QUAY COUNTY .: Clyde B. Neill , No. 1, Kimes, NWNW Sec. 13-

T. 12 N. R. 32 E. This well is temprarily abandoned. The well bore is open and an old cable tool rig is on the premise
