17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Permission is requested to plug and abandon the above captioned well on or about July 7, 1973.

After a thorough swabbing test of this well during which neither oil nor gas was recovered but considerable salt water it is the opinion of the operator that it is a dry hole.

Plugging and abandoning procedure will be, with the approval of the N.M.O.C.C., as follows; Shoot casing off at cement top or free point, fill the hole with heavy mud-laden fluid, pull casing, bridge hole at 250' approximately 100' below the surface casing and fill the hole to the surface with cement, set marker and clear location.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
