Re: Solano Wells Nos. 2 and 3
San Miguel County, NM

Dear Mr. Long:

A recent field inspection of the above-referenced wells has indicated that you are in violation of our rules and regulations. The first of these violations is that there is no dry hole marker on your No. 2 well, secondly, there is no wellhead on the No. 3, and thirdly, it was observed that there is a twin well to the No. 3 well.

It is anticipated by this office that the first two violations will be taken care of within the next two weeks and the third will require a response from you upon receipt of this letter.

Should you have any questions, please contact me at this office.

Sincerely,

ROY E. JOHNSON
Senior Petroleum Geologist
