Subject: Letter of Release, of "mud pits" at well site of Wet Hole No. 1, ie; Sec. 1, T-14-N, R-23-E in San Miguel County, New Mexico.

Mr. Lujan, this Letter of Release is required by the Oil Conservation Division in Sante Fe, New Mexico to show that Wet Hole No. 1 has left the "mud pits" (three -3- each) to your satisfaction.

Some ranchers prefer some or all pits be left open, as they hold water better; others prefer the land be leveled to as close to its original condition as possible.

This signed statement indicates that Wet Hole No. 1 has complied to your satisfaction.
