Attention: Joseph Ingram

Re: Gihon No. 1  
G-31-13N-30E  
San Miguel County, New Mexico

Dear Mr. Ingram:

A review of the file for the above-referenced well indicated that this office has not received notification that the location has been reclaimed and is ready for inspection. Form C-103 (enclosed) should immediately be filed in triplicate with this office as a field inspection trip is scheduled for the area in May.

Your prompt attention to this matter would be greatly appreciated.

Sincerely,

ROY W. JOHNSON,  
Sr. Petroleum Geologist

REJ/JB/dr
