Mr. H. F. Hartwell
Arriba, Colorado

Dear Mr. Hartwell:

Enclosed please find approved Form C-102, Notice of Intention to Plug Well. Before you will be able to have your bond released, it will be necessary for you to file Form C-103, Result of Plugging Well, with the Oil Conservation Commission.

This report is to show the result of the work done and materials used in plugging. I refer you to Order #4, Rule #29, Rules and Regulations of the Oil Conservation Commission, which reads in part:

"The report shall give the date the work was started and the date it was completed; a detailed account of the manner in which the work was performed; the nature and quantities of materials used in plugging, and the depths and lengths of the various plugs; records of any tests or measurements made; the amount, size and depth of all casing left in the well; the volume and gravity of mud-laden fluid used; pressures retained in mudding; a completed record of any shooting done; and names; addresses and positions of all those in charge of the work.

Very truly yours,

Oil Conservation Commission
