Gentlemen:

During July of 1959 I inspected the location of the subject well and found it to be plugged and abandoned in an acceptable manner. At that time I believe I signed and sent to you Form C-103, Plugging Report, for this well, however, we do not now have a copy of this report in our files. Please, if you have received a signed copy of the Plugging Report, send us a copy for our files. If you have not received an approved copy, please resubmit the report and we shall sign and send one to you.

Very truly yours,
