## Gentlemen:

By letter of November 18, 1958, the Commission granted your application for six months temporary abandonment of the subject well. This period expires April 18, 1959. Therefore, you are directed to proceed immediately with plans for the further operation of the well or plans for the plugging of the well. The Commission will expect that in either case the work will be started by May 18, 1959.

If you have any questions concerning this matter please contact Hr. E. J. Fisher, our engineer in Santa Fe.

Very truly yours,

Richard L. Stamets Geologist

Extend to Oct. 18, 1959 per telephone conversation of april 24, 1959 C-102 on the way from midland (talked w/ Dallas office)
