Horton Well No. 1
Wildcat
32-11N-7E
Santa Fe County, New Mexico.

Gentlemen:

This is to respectfully request a sixty (60) days extension on the permit to drill the captioned well.

Our delay has been caused by difficulty in securing a drilling crew. This, I believe, has been solved.

Yours very truly,

James W. Strawn
James W. Strawn.

We were able to secure a permit on 9/17/76 saying "No further work to be conducted." O.K.
