Attention: Mr. Carl Ulvog, Senior Petroleum Geologist

Gentlemen:

This is to respectfully request a 90-day extension to the permit to deepen the Horton Well No. 1, located 330' from the North line and 330' from the East line of Sec. 32, Twp. 11N, Rge. 7E, Santa Fe County, New Mexico, which was issued to James W. Strawn December 4, 1975.

This request is made due to our inability to obtain a rig in time for the well until sometimes in March of 1976.

Yours very truly,

  
JAMES W. STRAWN
