Dear Carl:

By mistake we have mailed the original forms of attached well applications to Aztec and we have asked them to forward them on to you in Santa Fe.

This has put us in a time bind inasmuch as we are trying to spud the first well by April 30, 1979. Accordingly, we would like ask for your verbal authorization as soon as possible so that we may meet our farmin deadline of April 30th.

I will call you on the phone to discuss this in detail. Thank you for your consideration.

Sincerely,

Bruce A. Black
