17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1703.

Well was drilled to 2,497 feet, and 834 feet of 8 5/8 inch surface pipe was set and cemented sealing off all known water tables. A cap was welded on top of the surface pipe so that nothing can get in or out of said pipe. It is proposed that the well be temporarily abandoned for a period not to exceed one year for further evaluation.
