17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We have T.D. at 2800'. Oil and gas shows were encountered in the Greenhorn limestone.

We now intend to run 4-1/2" casing to 2700' to attempt a completion. This will be done in accordance with our conversation with you.
