2 Section Section of Completed Operation	ne (Clearly state all pertinent deta	ile and give pertinent dates in	ciuding estimated date of starting any proposed	

We have drilled a 12-1/4" hole and ran 8-5/8" casing to 200'. We cemented the casing to the surface. The well was spud February 10th, 1986. We subsequently drilled a 7-7/8" hole to 3536', then changed to a 6-14/" hole and drilled to T.D. at 4252'. No oil or gas zones were encountered. We will log and plug and abandon this well.

18. I hereby certify that the information shove is true and compi	ete to the best of me knowledge and belief.
