### INSPECTION REPORT

The subject well was inspected by me on June 4, 1958, and the following items were noted:

1. About 3 to 4 feet of 13 1/2 inch casing exposed above ground with screw on metal cap. Cap was removed and stone dropped in, indication was that no plugs or cement are in the well.
2. The pits have not been back filled and are now grassed over.
3. Considerable junk, wood, wire, barrels etc., is strewn over the location.
4. The dead men are not cut. This location is completely un-acceptable.

In addition only Forms C-101, C-128 and C-103 have been filed on this well.

Last known address, Vera Hotel, Hot Springs, New Mexico, however, Mr. Elvis A. Utz, says he is in Santa Fe now.
