Re: C-101, P. B. English, Moore No. 1, SESE
16-12N-10E, Wildcat.

Dear Mr. Yarbrough:

The C-101 for the well noted in the caption which you sent with pencil note annexed is replaced with a corrected C-101.

Fortunately today at noon I saw Mr. English on the street and mentioned the situation in his proposed C-101. Whoever made out that C-101 for Mr. English in some way had made a mistake. Mr. English immediately brought in the correct survey footage and prepared a new C-101.

With kindest personal regards.

Very truly yours,

John M. Kelly
Director
