## MESSAGE

TO Mr. J.E. Kapteina  
Supervisor & Oil & Gas Inspector  
District IV  
DATE July 26, 1972  
Re: Virgle Landreth  
23-4S-6E Panhandle #1-D

Attached copy of Scout Ticket indicates  
this well was spudded in March of 1971 & drilled  
to a T.D. of 1895' by April. Please check & send  
copies of reports or advise if otherwise.

Thanks,

BY *A.R. McCarat* Central Records
