

Conditions of Approval

Re: Sundry Notice dated 3/17/93 requesting re-entry of
No. 1 - Hattie Lacy located NW $\frac{1}{4}$ NW $\frac{1}{4}$ Sec. 11, T. 4 S., R. 6 E.
Lease NM-83477

1. This application approved for a 2 month period ending October 30, 1993. If the work has not commenced within this time frame the approval will automatically terminate and the surface reclamation will be completed as previously required.
2. You will comply with all the requirements of the approval for the original Application for Permit to Drill, approved September 5, 1991.
3. Notify the Roswell Resource Area office at (505) 624-1790 and the Socorro Resource Area office at (505) 835-0412 when the re-entry commences.
