Bingham State No. 1
SW/4 Sec. 23, T-5S, R-5E
Socorro County, New Mexico

Dear Mr. Bursum:

Enclosed herewith is a copy of the final plugging report on the above well, approved this date.

This plugging report reflects that Sun Oil Company plugged the well back to 650 feet below the surface and transferred the well and the open pits to you for your use as a source of supply and storage for stock water.

Very truly yours,

D. S. Nutter
Petroleum Engineer
