Gentlemen:

We own La Joya Grant which is in Socorro County on which George Inglis and his partner, Elvis Roberts, had a lease to drill a wild-cat well for oil and gas. They defaulted in every respect on the terms of this lease, and it was cancelled by us on October 28, 1957, and this well was not drilled.

We hope this information will be helpful in the cancellation of the bond which was made to Inglis in connection with drilling this well.

Sincerely yours,

Thomas D. Campbell
