Gentlemen:

With reference to the above-captioned well, also known as the Richard B. Laing Sanchez No. 1, I hereby certify that the well is located on a Federal Oil and Gas Lease and not on Mr. Antonio F. I further certify that the well was properly plugged and abandoned August 9, 1955, and request that the New Mexico Oil Conservation Commission release the bond on the well which was posted August 22, 1951.

Very truly yours,
