Dear Mr. Powell:

Pursuant to our letters of July 19 and March 9, 1983, and numerous telephone calls, this agency has yet to receive the required forms and logs on the referenced wells.

In the case of your Formwalt Well No. 1, please note that your Temporary Abandonment status expired on June 21, 1983, and any extension of this must be approved by the Division Director of the New Mexico Oil Conservation Division.

If the required forms and data are not received within 20 days, this matter will be set for a forced plugging case at the earliest Examiner Hearing after this 20 day limit.

Sincerely,

ROY E. JOHNSON  
Petroleum Geologist
