Re: Leroy Bennett  
Oil Well Plugging Bond #01-0130-10935-82-4 issued July 9, 1982

Gentlemen:

Please be advised that this agency issued the above Captioned Bond by United States Fidelity & Guaranty Company, covering oil and gas lease located Lot 1, Section 31, Township 6, North Range 5 East, N.M.P.M. Torrance County New Mexico. It is our understanding that the bond covering this location was replaced by a subsequent driller who determined that the well was not productive. Would you please check your records and determine whether the above Captioned Bond has been replaced or that the well has been properly plugged and that we can retire our bond at this time.

Sincerely,

  
Charles W. Brown
