FORM C-102
Revised 10-1-78

All distances must be from the outer boundaries of the Section.

Operator Leroy Bennett		Lease Agua Comanche		Well No. 1
Unit Letter E	Section 31	Township 6 North	Range 5 East	County Torrance
Actual Footage Location of Well: 2888 feet from the south line and 330 feet from the west line				
Ground Level Elev. 6043' above MSL	Producing Formation L None		Pool None	Dedicated Acreage: 40 Acres

1. Outline the acreage dedicated to the subject well by colored pencil or hatchure marks on the plat below.
2. If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).
3. If more than one lease of different ownership is dedicated to the well, have the interests of all owners been consolidated by communitization, unitization, force-pooling, etc?

☒ Yes ☐ No If answer is "yes," type of consolidation All mineral owners have entered into leases with operator.

If answer is "no," list the owners and tract descriptions which have actually been consolidated. (Use reverse side of this form if necessary.)

No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling, or otherwise) or until a non-standard unit, eliminating such interests, has been approved by the Division.
