Re: Estes Well No. 1, Unit D,
Section 35, T-5N, R-8E,
Torrance County, New Mexico

Gentlemen:

A review of your well file has indicated that this office has not received any reports on the above-referenced well since October 15, 1985. A recent field inspection has shown that there is no activity on this location and that you have not applied for Temporary Abandonment Status. If this location is to remain in its present condition then Temporary Abandonment Status must be applied for according to our Rules and Regulations. Please also be advised that this office is yet to receive copies of any logs that were run on this hole.

Your prompt action in this matter will be greatly appreciated.

Sincerely yours

ROY E. JOHNSON
Senior Petroleum Geologist
