Gentlemen:

With reference to the Eidal Manufacturing Company Mitchell #1, Section 33, Township 4N, Range 8E, we would like to know if the final report on the plugging of the well on Form C-103 has been approved and if it has what paper is necessary to **relieve** us from the drilling bond obligation. This final report was submitted June 3.

Thank you very much.

Yours very truly,

MILLER & MILLER
