Estate of F. D. Myers vs State of New Mexico

Dear Mr. Fulton:

I have your letter of July 26, 1968 to Mr. Dan Cooper of General Adjustment Bureau in Roswell and we wish to thank you for your bid on this particular matter .

I wish to advise that your bid of \$3,875.00 is acceptable and you may proceed after you notify Mr. Kaptiena of the Oil Conservation Commission in Santa Fe as to your starting date. Please, by all means, notify him prior to starting work on the plugging of these wells.

It will be necessary for you to please be kind enough to furnish us with a copy of your insurance certificate for your automobile liability and your public liability insurance.

Also, I do not know if Mr. Cooper advised you or not, but I wish to advise any salvage which is pulled from these wells after they are plugged will be in your hands and if it has any value, then the amount to which you and I agree upon will be applied against the bid, which is above mentioned.

I wish to thank you and it would be appreciated if you would please advise me when the job is complete.

Very truly yours,

M. L. Mann, Jr.,
