F. D. Myers Smith-Pace Well No. 1, Unit L

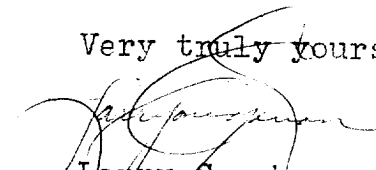

Thank you for your letter of January 8, 1968, concerning the above captioned matter.

Please accept my apologies for taking so long on this matter, but these bonds belong to our office in California. Since this is foreign business we must go through the regular channels of procedure and we have been corresponding with them constantly since your office put us on notice.

Please allow us a little more time on this until I get the necessary confirmation from California advising how to proceed.

Thank you for your cooperation.

Very truly yours,
