Gentlemen:

We are in receipt of your letter directed to Mr. James H. Russell of the Russell Insurance Agency of P. O. Box 2226, Santa Fe, New Mexico.

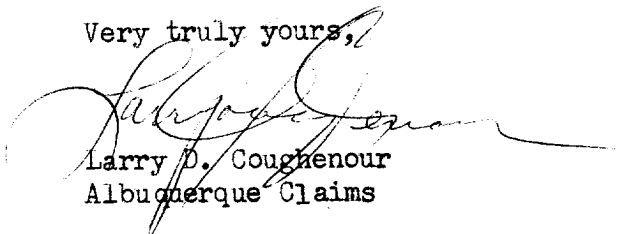

Please be advised that Mr. Russell has forwarded this face letter to our attention here in Albuquerque, advising us that this is not his insured.

This letter is to advise your office that with the Bond No's. provided we will go to our Dallas, Texas Regional Claims Office and request information regarding these bonds. We would like to establish who the agent was that wrote these and also obtain the correct policy information to determine if we will have the proper exposure to honor these claims.

As quickly as this information is provided we will contact Mr. Kapteina, Engineer and Oil Inspector, and request the appropriate plugging program for each well at that time.

Thank you for your assistance and cooperation in this matter and I remain,

Very truly yours,
