

June 20, 1938.

Mr. A. Andrews,
Bureau, New Mexico.

Dear Andy:

We are in receipt of three copies of the
of intention to use tubing and packings for the
V. Pace, well No. 1. Spec. 12. T. 6. In the
event that you do not intend to complete the very
soon and should wish to give your attention to this
procedure we are sending you two of the copies for
your disposition; the third we are retaining in this
office to await your signature before mailing.

Yours truly,

Oil Conservation Commission
