Re: SE $\frac{1}{4}$ Sec. 12-6N-7E. Well No. 1
of Chief Oil and Gas Company.

Dear Mr. Lee:

The drilling bond to cover the above designated well has not yet been received by the Commission, which permitted you to proceed with drilling operations upon said well with the understanding that the bond, of course, would be supplied. Nearly two months have gone, and no bond. I trust that the supplying of this bond will not be further delayed.

It was our understanding at the time you were granted permission to proceed with the well that if you could not supply the corporate surety bond yourself, some of your associates would do so.

Very truly yours,

OIL CONSERVATION COMMISSION
